PUBLIC HEARING ON THE 2018-2019 TENTATIVE BUDGET

A public hearing was held to discuss the tentative 2018-2019 budget. Mayor Traver went through the appropriations and revenues for both the Water Fund and General Fund. The village has been preparing for this time by setting aside money each budget year. These funds will also be used, incrementally, to offset the loss of revenue. Trustee Williams said that between the years of 2013-2016, there was little to no growth in the in the budget and the village is looking at a significant decrease in revenues next year. A brief conversation about the budget was held.

The only public comment came from Mr. Dean Watkins who asked about the location of the Public Safety appropriation codes within the General Fund budget. In addition, Dean asked about the difference between the amount money the Town pays and the amount of money the Village pays for BUS Transportation.

A motion to close the public hearing at 6:55 was made by **Trustee Carpenter**, seconded by **Trustee Perry**. All ayes. Motion carried.

Respectfully Submitted,

Janelle Rose, Deputy Clerk
