**PUBLIC HEARING- Cannabis On-Site Consumption Licensing**

Steve Davie voiced his concerns on allowing any type of dispensary within the Village. The on-site sale of Cannabis can not be opted out at this time, so we have basically opted in. There was a brief discussion on the use of marijuana in public places. Chief Derway said that there is basically nothing you can do if people smoke it on the street. It is no different than smoking a cigarette while walking down the street. This is a State of New York law and not a Village law. The Village can regulate the use of it on Village property but that would be it. With no more public discussion, the public hearing was closed.

A motion to close the public hearing at 7:05 PM was made by **Trustee Boucher**. **SECONDED BY Trustee Cutler**. All Ayes. Motion *Carried*.

Respectfully Submitted,

---

Peter C. Amorosi  
Village Clerk/Treasurer
