PUBLIC HEARING – MORATORIUM PFAS

Summary

The meeting focused on discussing the status of a moratorium and the closure of a public hearing, with no further comments or questions raised by attendees. The board has decided to close the public hearing and is open to reconvening if necessary.

Outline

Moratorium Status and Public Hearing Closure

The meeting confirmed that the moratorium status remains unchanged since the last meeting. A previous meeting held by Clean Earth was well attended, and questions raised will be addressed by the company. The board decided to close the public hearing for now, with the option to reopen it if needed.

A motion to close the public hearing was made by **Trustee Cutler** and seconded by **Trustee Williams**, which was carried unanimously.

Respectfully submitted,

Janelle Rose
Village Clerk-Treasurer
