VILLAGE OF FORT EDWARD

SITE PLAN REVIEW APPLICATION

Under the Village of Fort Edward Site Plan Review Law and the Village Law of the State of New York, the following roughly outlines the site plan review process.

Phase I. Sketch Plan Review

The Sketch Plan Review phase provides an applicant the opportunity to come before the Planning board with a somewhat informal depiction of his or her proposed project to determine the requirements of the Town's Site Plan Review Law, the State Environmental Quality Review Act (SEQRA), wetland issues, and other applicable jurisdictional requirements. **A favorable determination by the Planning board at this phase does not constitute an approval of the site plan.** At this stage, the applicant is simply given the opportunity to determine whether or not he or she should proceed with formal surveying requirements and obtaining other approvals.

Phase II. Site Plan Review

In the Site Plan Review phase, the Planning Board will review the application under the Village of Fort Edward Site Plan Review Law and SEQRA and issue a decision under both concerning the application. This phase may consist of numerous meetings while the applicant addresses questions from the Planning Board or its consultants, and as public comments are received. During this phase, the application may also be referred to the Washington County Planning Board, if required.
